Connected Applications

App Store Connect

Intelligent Plant™
Inform, Enhance, Grow intelligently.

Easily connect your data to the Industrial App Store and share it with apps and other users.

★★★★★

Controller Consultant

Intelligent Plant™
Inform, Enhance, Grow intelligently.

Understand how to best manage your controllers, do they need tuning? Are they over-tuned? The answer is within.

☆☆☆☆☆

Power BI Connector

Intelligent Plant™
Inform, Enhance, Grow intelligently.

Utilise real-time and historical industrial data in Microsoft Power BI.

★★★★★

Azimuth

Intelligent Plant™
Inform, Enhance, Grow intelligently.

Ensure efficient maintenance scheduling on major pieces of rotating equipment.

☆☆☆☆☆

Facit

Intelligent Plant™
Inform, Enhance, Grow intelligently.

Facit amalgamates and groups alarms and alerts into an intuitive dashboard to allow easy tracking, work flow management and automatic task auditing.

☆☆☆☆☆

Gestalt PnID

Intelligent Plant™
Inform, Enhance, Grow intelligently.

Create high resolution Process and Instrumentation Diagrams with data-bound animations to give a real-time picture of your plant's performance.

What should we be Concentrating on?

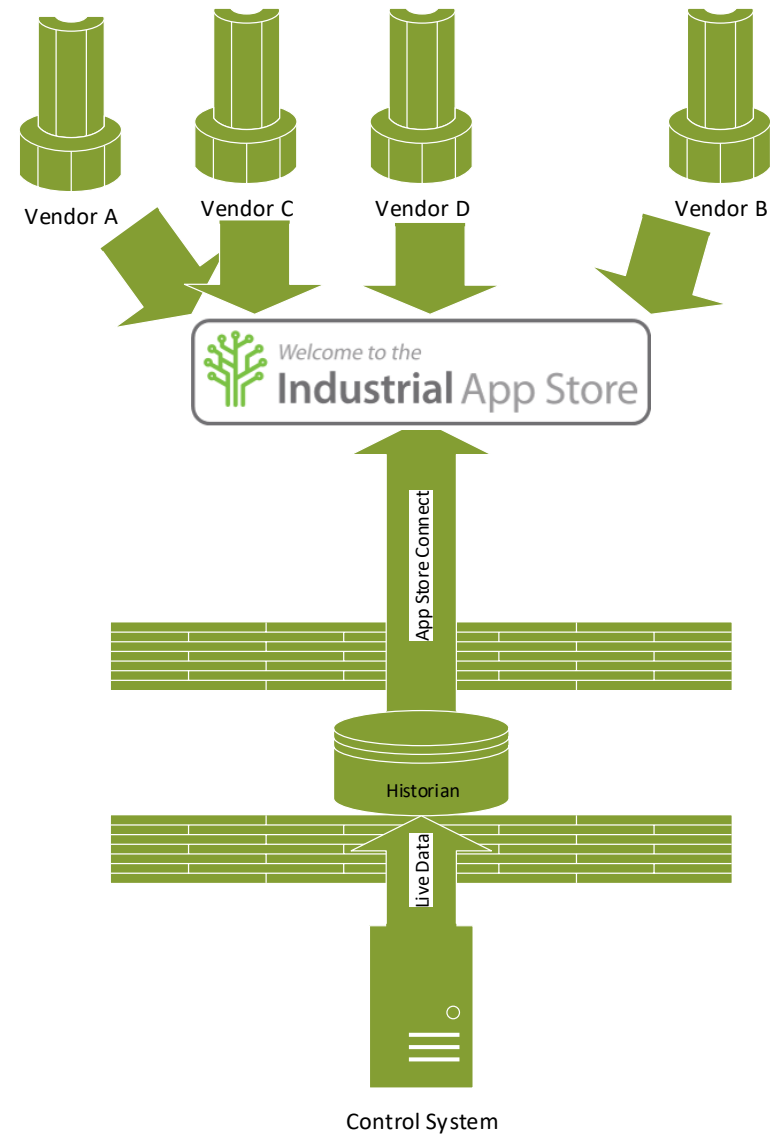

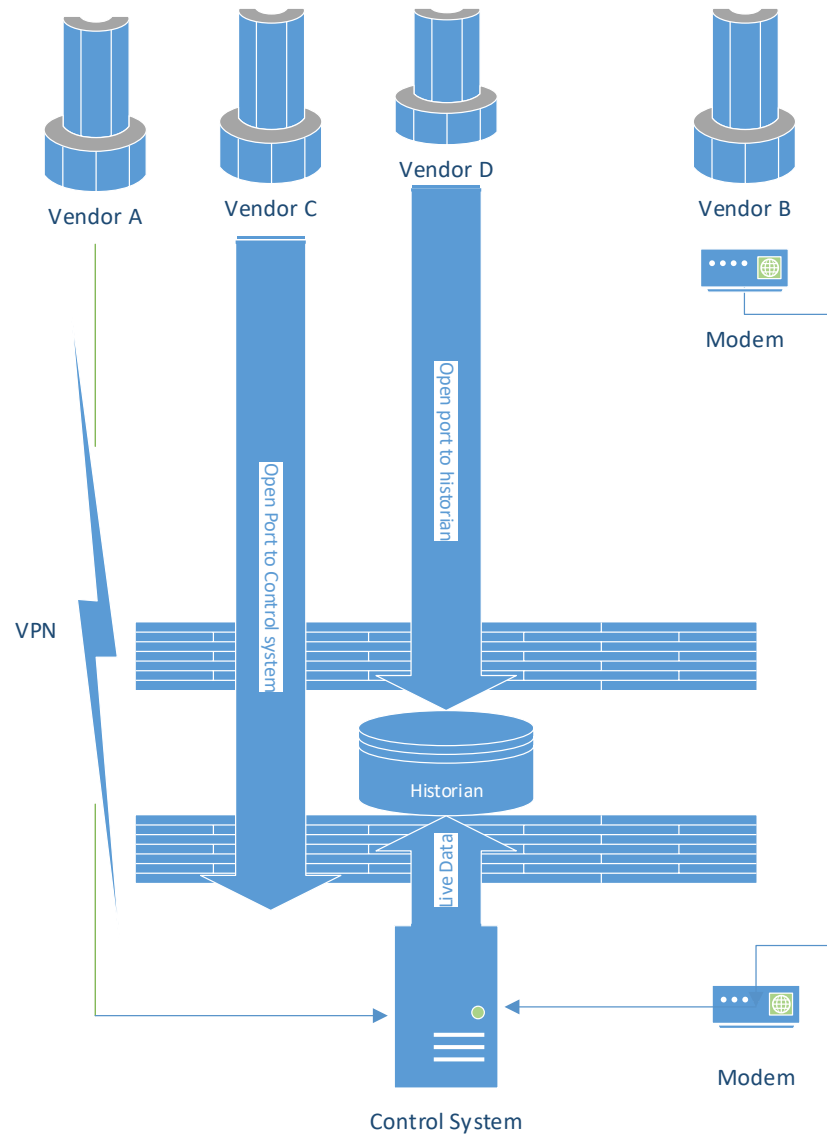

What we need to concentrate on

What people normally concentrate on

Causes of lost Production excluding "one offs"
